

2024-2025 Sponsorship Opportunities Benefitting St. Michael Catholic School

Through your kind donations to St. Michael's PTO and Athletic Booster Club your support has a direct impact on the overall student, teacher, and family experience at St. Michael School.

The St. Michael Parent Teacher Organization (PTO) consists of families, teachers, and St. Michael leadership. The PTO provides activities that "enhance" our children's everyday educational and spiritual experience, as well as teachers and family members, by supporting St. Michael's mission and vision.

The PTO funds PreK – Gr. 8 classroom "wish lists," provides teacher lunches throughout the year, hosts family-fun events, and invites all members of the StMS family to be actively involved and engaged!

St. Michael's Athletic Booster Club was established to continually enhance St. Michael's positive experience through athletics by improving the facilities – such as the athletic fields and Archangel Hall - and athletics equipment, in addition to supporting athletics-related needs and requests that contribute to diverse athletic opportunities that develop the whole child.
