RE: Distance Learning Day 4

Good morning St. Michael School Families,

Please play for your children the attached sound file with today's morning prayer and announcements.

Today's prayer can also be found in my Google Classroom, "Mrs. Navarro's News, Principal's Post and Prayer," which is accessible by all PreK - Grade 8 students.

It has made me so happy to hear that families have enjoyed starting their morning in prayer before children begin their assignments!

May God continue to bless you and your families, and take care. St. Michael the Archangel, pray for us!

Best Regards,

Tara Navarro, Principal
