RE: Distance Learning Day 5

Good morning St. Michael School Families,

Please play for your children the attached sound file with today's morning prayer and announcements.

Today's prayer can also be found in my Google Classroom, "Mrs. Navarro's News, Principal's Post and Prayer." There are currently 479 students (out of 525) who have accessed "Mrs. Navarro's News." Please ensure your child has joined it, since as of Monday that will be the only way for PreK - Grade 8 students to listen to morning prayer and announcements.

May God continue to bless you and your families, today and throughout the weekend ahead.

St. Michael the Archangel, pray for us!

Best Regards,

Tara Navarro, Principal
