A drop-down box will appear.

Scroll down until you find the 'Classroom' icon.

Students' enrolled classes will appear on this page.

Click on a classroom to open up the folder. The default opens to 'Stream'.

Stream focuses on announcements and classroom discussions. Students can also see notifications for new assignments in the Stream.

The 'Classwork' page provides students with a list of assignments.

Select an assignment to open up the details.

Click on 'View Assignment' to open the assignment and read the instructions from the teacher.

If the teacher includes a particular document or formatted product, it will appear within the assignment.

Click on each worksheet, document, or product included with the lesson.
